
Sign Biz[®], Inc. increases support with Microsoft Partner Program

Dana Point, California (*January, 2007*) Sign Biz Inc., founder of the nation's largest and most influential chain of royalty-free sign companies continues to expand its expertise, resources and support capabilities by becoming a *Microsoft Partner*. The Partner Program presents Sign Biz Inc. comprehensive access to the newest software and developments and helps them provide top of the line support and services to their member stores.

"The Partner Program has become an integral part of the services we offer through Sign Biz Tech Support" relates Helene Lohr, Manager of New Media. "With access to the newest information and upgrades we are able to beta test the newest software before our stores. This lets us discover and resolve issues *before* they interfere with the production capabilities of the Network."

Benefits that will be conferred on to Network membership include:

- Up to date information and the inside scoop on the newest software and peripherals
- Pre-evaluation copies of software to test prior to release
- Access to tech docs and white papers that help keep Sign Biz Tech Support on the cutting edge of issues facing their Network of Sign Companies.
- Training opportunities, conferences and events that help keep the Tech Team ahead of the curve on issues confronting the Network.

The addition of the Partner Program serves to augment the Sign Biz Tech Support program in place for all new Sign Biz Members. Sign Biz EVIP Tech Support Services currently also include:

Computer Security and Computer Performance Audits: to keep Network Members' computers operating at their optimum.

Hardware & Software Troubleshooting: to shave hours off of downtime and make the machine into a lean and purposeful production machine.

Live Training: Sign Biz Tech provides live design, print, bookkeeping & POS software and technical training for Network Members and their staff.
